**FULL BODY**

**Spec** 127\*64" / 139\*80" Polished  
Crystalline Silica Free Available For Special Order

Denali White captures the awe-inspiring essence of North America's tallest peak, Denali. This ultra-white surface, devoid of any patterns, mirrors the untouched snowfields and majestic serenity of the Alaskan mountain. The immaculate whiteness evokes the pure, unblemished beauty of Denali's summit, where every inch radiates clarity and tranquility.
